Material: Pongee
Dual-layer 48" canopy
Closes automatically
with push-button
Innovative inverted
design
Pinch-proof runner for
safety and ease of use
Can stand
unsupported while
closed for faster
drying

CHARGER

Rechargeable 10,000 mAh/37W lithium polymer battery that works as a charging pad or a regular power bank on the go. The 18W USB-C port provides enough power to charge a laptop with a Type-C port and enough power to fast charge compatible devices with wired charging. The power bank can charge three devices at the same time by using Type-C port, USB-A port and wireless charging surface simultaneously.
